Code §§ 22-28-1 to 22-28-23 (2006 Rplc. Vol.), the Alabama Department of Environmental Management (hereinafter, the “Department” or “ADEM”) Administrative Code of Regulations (hereinafter, “ADEM Admin. Code R.”) promulgated pursuant thereto, and the federal Clean Air Act, 42 U.S.C. 7401 to 7671q, as amended, the Department makes the following FINDINGS:

1. Steiner Shipyard, Inc. (hereinafter, “Steiner”) owns and operates a ship building and repair company (hereinafter, the “Facility”) located in Bayou La Batre, Mobile County, Alabama.

2. The Department is a duly constituted department of the State of Alabama pursuant to Ala. Code §§ 22-22A-1 to 22-22A-16 (2006 Rplc. Vol.).

3. Pursuant to Ala. Code § 22-22A-4(n) (2006 Rplc. Vol.), the Department is the state air pollution control agency for the purposes of the federal Clean Air Act, 42 U.S.C. 7401 to 7671q, as amended. In addition, the Department is authorized to administer and enforce the provisions of the Alabama Air Pollution Control Act, Ala. Code §§ 22-28-1 to 22-28-23 (2006 Rplc. Vol.).

4. ADEM Admin. Code r. 335-3-3-.01(2)(b)1 states that “...open burning must take place on the property on which the combustible fuel originates.”

5. ADEM Admin. Code r. 335-3-3-.01(2)(d) states that “Permission to open burn under the provision of this paragraph is revoked during the months of May, June, July, August, September, and October in Baldwin, DeKalb, Etowah, Jefferson, Lawrence, Madison, Mobile, Montgomery, Morgan, Russell, Shelby, and Talladega Counties.

6. On September 27, 2016, Department personnel observed illegal open burning of imported wood being conducted at the Facility in violation of ADEM Admin. Code r. 335-3-.01(2).

7. Pursuant to Ala. Code § 22-22A-5(18)c., *as amended*, in determining the amount of any penalty, the Department must give consideration to the seriousness of the violation, including any irreparable harm to the environment and any threat to the health or safety of the public; the standard of care manifested by such person; the economic benefit which delayed compliance may confer upon such person; the nature, extent and degree of success of such person's efforts to minimize or mitigate the effects of such violation upon the environment; such person's history of previous violations; and the ability of such person to pay such penalty. Any civil penalty assessed pursuant to this authority shall not exceed \$25,000.00 for each violation, provided however, that the total penalty assessed in an order issued by the Department shall not exceed \$250,000.00. Each day such violation continues shall constitute a separate violation. In arriving at this civil penalty, the Department has considered the following:

A. SERIOUSNESS OF THE VIOLATION: Steiner conducted illegal open burning and did so during the burn ban. The Department considers these violations to be serious.

B. THE STANDARD OF CARE: There appeared to be no care taken by Steiner to comply with the applicable requirements of the ADEM Admin. Code rs. 335-3-3-.01(2)(b)1 and 335-3-3-.01(2)(d).

C. ECONOMIC BENEFIT WHICH DELAYED COMPLIANCE MAY HAVE CONFERRED: Steiner likely derived an economic benefit by not legally disposing of debris.

D. EFFORTS TO MINIMIZE OR MITIGATE THE EFFECTS OF THE VIOLATION UPON THE ENVIRONMENT: There were no efforts by Steiner to mitigate possible effects of these violations upon the environment.

E. HISTORY OF PREVIOUS VIOLATIONS: Steiner has no previous history of violations for illegal open burning with the Department.

F. THE ABILITY TO PAY: Steiner has not alleged an inability to pay the civil penalty.

G. OTHER FACTORS: The Department has carefully considered the six statutory penalty factors enumerated in Ala. Code § 22-22A-5(18)c., *as amended*, as well as the need for timely and effective enforcement, and has concluded that a civil penalty herein is appropriate (*See* "Attachment A", which is hereby incorporated into these Findings.)

C. That, should any provision of this Order be declared by a court of competent jurisdiction or the Environmental Management Commission to be inconsistent with Federal or State law and therefore unenforceable, the remaining provisions hereof shall remain in full force and effect.

D. Except as otherwise set forth herein, this Order is not and shall not be interpreted to be a permit or modification of an existing permit under federal, State or local law, and shall not be construed to waive or relieve Steiner of its obligations to comply in the future with any permit or other written direction from the Department.
